The Kingdom's Classroom

Fireworks and cookouts are fun ways to celebrate freedom, but Jesus gives us a different kind of freedom—freedom in our hearts!

What does it mean to be free on the inside?

- Have you ever felt stuck, scared, or like you had to be perfect all the time?
- How does knowing Jesus loves and forgives you help you feel free?
- What's something you want to thank Jesus for setting you free from?

"So if the Son sets you free, you will be free indeed."

— John 8:36
